Editorial Opinion.

Grumbling is an ailment from which some people suffer.

A bawling or tattling woman is the curse of the neighborhood.

We should be industrious. It won't do to spend our time in gossip.

Lounging and talking about other people never pays in the long run.

Some of us are so conceited that we can't do as nature intended we should.

Colored people have been grievously persecuted but they have struggled on.

Crime committed by colored men is no worse than that committed by white ones.

Because you have sinned once or twice is no reason why you should continue the practice.

Hard times and Democracy are what have served the people of the country this winter.

We have white friends who have not as yet deserted us nor lost faith in the promises of the CREATOR.

The Wilson Tariff Bill has passed the House. When it leaves the Senate, its father won't know it.

We cause many of the ills from which we suffer, but the bulk of them were caused by other people.

Congressman GEORGE D. WINE snorted and kicked against the Wilson Tariff Bill and then—voted for it.

The lynching of colored men has led to other lawless practices, which have demanded summary punishment.

If you will read the exposure of Democratic Party methods by the DAILY TIMES, you will get the idea of why a Negro cannot be a Democrat.

Educate your children, colored men. Teach them to be honest and industrious. Supplement these traits with good manners and their success is assured.

Colored men must defend themselves and each other. When this is done the reverberating report of the shot gun and the Winchester rifle in the hands of lawless white men and aimed at the Negro will be heard no more in the South-land.

The way to stop Negro-killing is to make it unprofitable. Shoot your would-be murderers when they draw a bead on you. Even if you fall, after having tried satisfaction will no doubt accompany you all the way to glory.

President CLEVELAND sent Minister HENRY H. SMYTHE to Hayti to bring the right to use the Mole St. Nicholas and the latest despatches indicate that he will bring himself instead.

It is "Col." J. HAMPTON HOGE and "Gen." H. M. SMYTHE, who are the biggest fools of Virginia, say. The above would be fitting introductory remarks upon ushering the above named gentlemen into the presence of President CLEVELAND.

The Cleveland, O. Gazette calls Minister H. M. SMYTHE, a jack-ass. He hasn't as much sense as that animal. No jack-ass has ever applied for a position the duties of which it was in no wise capable of discharging.

Representative H. C. SMITH of the Ohio legislature has succeeded in having his civil rights bill passed by a unanimous vote in the assembly. It will in all probability pass the Senate. This is as it should be and we congratulate this young Afro-American upon his success.

The disposition within us to pull one another down should be superseded by the desire to help each other up.

The race can only succeed in proportion as the individual members of it achieve success. Don't let us forget that.

The Republicans elected a congressman in New York city, that hot-bed of Democracy, and reduced the majority amazingly in another District. It is only a question of time when the entire country—excepting the South—will be clamoring for Republican rule.

The Richmond, Va. DISPATCH insists that the ANDERSON-McCORMICK Election law was not enacted for the purpose of cheating Negroes.

And yet no denial is now made of its having been operated for that purpose. May-be our contemporary is a stickler over words and does not intend to deny that it was intended to cheat both Negroes and white men who failed to agree with the Democratic bosses.

The Florence, S. C. BAPTIST HERALD says in lamenting the fact that it cannot appear as a weekly in accordance with promises previously made says that out of eighty preachers who pledged to help the paper all kept the promise with the exception of seventy-nine.

That one lone brother who was so faithful should have his name published. He deserves an extra star in his crown. But journalists can sympathize with their contemporary.

If promises were convertible into cash, we would be living in a ten story building, with a Virginia granite front.

Minister SMYTHE comes from a section of this state in which law has time and again been dethroned and order driven from its position.

In this neighborhood, four colored men were lynched at one time one at another, three at still another time with two more thrown in for good measure supplemented by the roaring of one unfortunate man who couldn't get away. All of this has taken place within the last 36 months, and we have the names of the parties and the time of their execution. It is cheek and gall in large quantities for this man to tell President HIPPOCRITE how to run Hayti. Let him tell his people how to run Virginia. Our roads are bad, jails crowded, finance scarce and the Democratic Party in power. Come home, Smythe!

"A NEGRO WHITE MAN."

That Negroes have been hanged for crimes committed by white men with blackened faces hardly admits of a question. Here is a case in point demonstrating the depravity of some of the whites in the South-land:

"MORGANTOWN, GA., Jan. 29.—U. P.—A sensational story has been received from Union Co. Tax-collector Jones, who lives in the wilds of Cooper's creek, returned on Saturday, from a tour of the county, collecting taxes. In the evening, a peddler well known in that locality, stopped at his house, asked for lodging and was taken in.

After supper Jones went out to look after his cattle. While he was gone, a disreputable Negro knocked at the front door, and when it was opened stuck two pistols into the faces of the peddler and Mrs. Jones. He first demanded the peddler's money, and then made Mrs. Jones bring the tax money.

As he got it he turned out, when the peddler quickly drew a pistol and firing struck the robber in the head, killing him instantly. It was then discovered that the would be robber was none other than the tax collector himself, blacked up."

All that was necessary for this white man to do was to give some innocent Negro some article which he had secured when he made the robbery. This would have been regarded as sufficient evidence of guilt and the colored man no doubt would have been lynched without being allowed the privilege of even proving his innocence.

A ROANOKE LYNCHER PARDONED.

The action of Gov. CHARLES T. O'FERRALL in pardoning JAMES B. RICHARDSON, one of the Roanoke lynchers will neither merit nor receive public approval.

This criminal was sentenced to twelve months in jail and fined one hundred dollars.

The Governor reduces it to twenty-four hours in jail upon the condition that he pay the fine.

This was the method in vogue during Gov. McKINNEY's "reign" and we had hoped that the conditional pardon had gone never to return.

It is alleged that the application for pardon was signed by four hundred "prominent citizens" of Roanoke.

If there was ever a good reason

for not pardoning the convicted criminal this was one.

Here is a city where public sentiment was so treacherous that its patriotic mayor had to seek an asylum in another locality.

The majority were in favor of the lawless, and yet these same citizens possibly some of them as guilty as this man RICHARDSON sign a petition for pardon and it is favorably acted upon.

It was openly declared by the press of the state that the punishment meted for the crime committed was entirely inadequate.

The lynching and the storming of the jail at Roanoke last September were the most reasonable acts that have been committed in this state during this generation.

It was an open defiance of the law and the only question which should have, in our judgment presented itself to our Chief Executive was whether or not PATTERSON was guilty or innocent.

He was guilty of felony and should have been sentenced to the penitentiary. The jury virtually exercised the clerk's high should have been left to the jury when they made the punishment so light. There should have been nothing more done. We feel certain that lynchers all over the state will regard this official act as a condoning of the crime and believe that similar favors will be extended them should they be convicted of having been guilty of a similar crime.

Lynch-law must go!

ARE OUR ELECTIONS HONEST?

The Richmond, Va., DAILY TIMES, a liberal Democratic journal has been faithfully endeavoring to lead the party with which it is identified back to the true principles of Democracy.

It attacked that cancerous growth—dishonest elections and no surgeon has ever essayed to locate and advise as to the removal of the same with more precision and fidelity than has this champion of truth and justice.

When the allegation was made that political rings controlled the state and that whereas when the Republican Party was active Negroes were cheated, but since its retirement from the field outspoken and independent white men were cheated as well, the Chairman of the State Democratic Committee professed ignorance and the Richmond, Va., DISPATCH was stone-blind.

It was openly stated that the charges must be substantiated by facts. Well in the DAILY TIMES of the 4th inst., these facts are produced. With what success the reader may judge from the editorial utterances of this journal.

"The exposure we make this morning of what took place at Smithers' store precinct, in Henrico county, at the election on November 7, 1893, should make every citizen of Virginia pause and ask himself earnestly and seriously if he has any voice in his government at all as matters now stand. Three hundred and fifty votes were cast at this precinct and yet the election officers recorded six hundred and eleven and that by the most open and barefaced methods of stuffing the ballot-box. So bold had successful fraud made them that they neglected the most ordinary precautions of covering up their tracks. The copying of 'blocks of five' from the registration book is perhaps the most open and barefaced fraud that ever was attempted before under similar circumstances. By this method, a precinct which had never before given more than one hundred and twenty-five democratic votes in an honest election was made to give four hundred and ninety-eight democratic votes. It could just as easily have been made to give one thousand if they had been needed.

And again:

"This thing could not have happened without the connivance of all the election officers at that precinct. It is therefore, to be considered as part of and belonging to our election system. A system which makes those who have exclusive control of the elections a board of parties, all of one party, to hold their meetings in secret, keep no records and be accountable to no one, must of course work its way by degrees to election fraud and to the destruction of the rights of an honest electorate. The Times has uncovered what was done at this precinct by its own unaided efforts. It was of course at a great disadvantage from having to pick up its information here and there and where-over it could find an item. It had no power to compel the attendance of witnesses to give evidence. If it had this power it has not the slightest doubt that it could show that a state of affairs similar to that at Smithers' exists in almost every, if not every, Negro county.

What will the people of Virginia say to this? How do they like the situation? But the DAILY TIMES propounds a few questions and answers them. Here they are:

"The Dispatch has repeatedly taunted the Times with the question 'Why do you not go with your allegations of fraud before the grand jury?' We have now proved fraud. What does the Dispatch think will be done? We can tell it. Nothing. It is very doubtful whether the grand jury indicts any one. But if it does there will be no conviction. Men cannot be expected to be better than their laws. The Anderson-McCormick law was understood by the people to be intended to be a shelter for cheating in elections. It has demoralized a great part of the moral sense of the people and they look on at the frauds that are perpetrated in elections with a shrug of the shoulder and inward thanks that their election troubles are ended.

But are they ended? Is it any relief to escape Negro rule to fall under the absolute rule of a ring of election thieves and ballot-box stuffers? What is the use of any citizen voting again? His vote is not counted unless it suits the election officers to count it. What part then has the citizen in his government. None, absolutely none. He had just as well stay at home as go to the polls. The result is the same in either case.

Ah, the white men of Virginia, in order to protect themselves against fraud and thievery must protect us. Here is the practical demonstration of a principle which is as old as time and as unvarying as the Almighty.

May the christian people rally and the masses see that it is absolutely essential to the life of free government that honesty be again en-

throned and truth and justice consulted in dealing with Wrong-doing can only be at the expense of grapes and the sacrifice of interests.

ANOTHER OUTRA.

The action of a mob of white men in taking from Pulaski, Va., three colored 31st and hanging them to the death-point in order to avenge the death of a white man, is a most revolting and brutal crime. These men, Bon and SAM, SANDY CASEY were charged with attempted to wreck the Norfolk and Western.

The crime is deserving of the severest punishment, but to persons who did not commit the crime would not attain sought. If these men were ready to die with the crime of innocence upon them, they should not altogether probable told the truth? They are guilty of this assault upon the law. What should be done in this case?

These lawless white men would be taught that we live in a civilized country and are subject to the laws thereof.

Every person is guaranteed a fair and impartial trial by a jury of his peers. We trust that J. O'FERRALL will put on foot an investigation and do what he can to it that the majesty of the law maintained. Lynch-law must go.

Dr. Shea-Marvelous Medium!

Give the names of dead and living friends, tell who and when you will marry, also of business journey, travels, absent friends, health or any thing you wish to know, no matter what it is. He can call up your spirit friends and show them to you. Can make them see all around the room. He asks no questions, don't try to write names for him. Don't try to pump him in any way, but tell your right off. It is the thorn in the side of the living. He is a powerful medium from them a gold mine and a spiritual guide to practice his wonderful powers. He has no one else on show, can give thousands of references to both white and colored parties. Twenty-five years' practice—seen in Brooklyn will show you that he can do all he tells of. Can tell you how to live happily and contentedly with the one you love. How to be successful in life.
